ISA CONFERENCE & EXHIBIT**
presents
“New Technologies in Instrumentation”

Your Once-A-Year Opportunity to See and Hear the Latest . . .

... about New Products and New Applications at the Exhibit —

New York Coliseum, October 28-31.

Examine, compare, evaluate over \$6,000,000 of Industrial and Scientific Instruments, Components, and Systems . . . the most comprehensive array of instrumentation products and services assembled and demonstrated under one roof in the United States—by some 400 companies from America and abroad.

... about New Concepts and New Techniques at the Conference and Symposia —

Statler Hilton Hotel, October 28-31.

115 technical sessions programmed by the divisions of ISA that cover the entire spectrum of instrumentation . . . state-of-the-art as well as what lies ahead. Three national Symposia are scheduled concurrently with the Conference—2nd Data Handling & Computation Instrumentation Symposium, 5th Metrology Instrumentation Symposium, and 5th Test Measurement Instrumentation Symposium.

Exhibit-Only Pre-Registrants:

Your Identification Badge, admitting you to the Exhibit only, can be picked up at the New York Coliseum during Exhibit hours.

Conference & Symposia Pre-Registrants:

Your Identification Badge, admitting you to all technical sessions and the Exhibit, can be picked up at the Statler Hilton Hotel. Note: Be sure to remit (Check) or (Money Order) if pre-registering for the Conference and Symposia.
